To Whom It May Concern:

Just wanted to take this opportunity to say what wonderful service we have received from Comdoc Inc! We have been extremely pleased with the promptness of service calls, which have been few, as well as the speedy delivery of toner cartridges. Ordering copy supplies is also very easy and user friendly. We have only had to make two service calls and they have been responded to very promptly and efficiently. We gladly recommend Comdoc Inc. to anyone who asks!

Thanks for the great service!

Sincerely,
