

ComDoc Named An Elite Dealer by *OfficeDEALER* Magazine

Uniontown, OH, November 15, 2009 – ComDoc of Uniontown, OH has been named one of the country's Elite Dealers by *OfficeDEALER* magazine. The award is presented annually by the magazine to top office equipment, office products, and office furniture dealers in the U.S. According to publisher Rich Kunkel, the 110 dealers presented with the prestigious 2009 Elite Dealer awards were selected from a record number of entries. "It takes something special to stand out as an Elite independent dealer in 2009," Kunkel said. "Among Elite Dealers, success is not about surviving, it's about thriving – even in touch economic times."

ComDoc was founded in 1955 by the late Walter G. Griffith in Akron, OH. As the area's leading provider of state-of-the-art office equipment, the company enjoyed tremendous growth and success over the next few decades. In 2009 ComDoc was purchased by Global Imaging Solutions, a Xerox Company, in order to service and sell superior products within the industry that ComDoc has been noted as being one of the major leaders. Larry Frank, Chief Operating Officer of ComDoc stated, "In a rapidly consolidating marketplace, it is advantageous for us to operate from a stronger competitive position, while remaining an independent business within Global Imaging." The merger of ComDoc and Global Imaging Solutions positions ComDoc to be at the forefront of their industry for many years to come by offering the same unique and award-winning service combined with Xerox's and Sharp's product and technology innovation. This marks a truly unique marriage of values, technology and proposition for ComDoc heading into the future.

OfficeDEALER magazine is a national publication that serves more than 13,000 subscribers involved in the reselling of offices supplies, office furniture, and office equipment. The Elite Dealer award is based on a company's superior sales and marketing, dedication to customer service, community involvement and the ability to provide customers with unique and innovative solutions.
